to Significance

**A TRANSFORMATIONAL
LEADERSHIP MOVEMENT**

Your Path to Significance.

Beyond Success was created by the world's most influential leadership expert, **Dr. John Maxwell**.

- He is an icon of World Leadership according to Newsweek Magazine.
- Named America's #1 Business Leader.
- The most influential Leadership expert in the world.
- His organizations have trained more than 6 million leaders in 196 countries.
- He has sold more than 25 million books in 50 languages.

As followers of Christ, we understand that a **true transformation** can only occur when people have a **relationship with God**.

How can we invite people in our community to know about God and present them the opportunity to know Him?

Through
BEYOND SUCCESS
A Transformational
Leadership Movement

Beyond Success is a personal growth and evangelistic leadership movement designed to help you reach your potential and make a positive impact in those around you, presenting them the opportunity to know God in a different and effective way.

Goal
1,000,000 Salvations

Methodology

We train leaders like you to facilitate Success tables with people who want to improve their lives.

The Beyond Success Success tables offer a very accessible path to self-improvement and the opportunity to hear John Maxwell speak about his faith.

We have already seen the effectiveness of this strategy in other countries. People's lives are improving and many thousands have come to Christ.

Facilitator

A facilitator can be defined as someone who encourages people to share and enables them to learn and grow through their example.

A facilitator is NOT: an instructor, a teacher, a counselor.

- Not there to reprimand or correct others.
- Not there to impress them.
- Not there to teach or lecture.

A facilitator is: a genuine and honest participant.

- You challenge yourself, not others.
- You are not afraid to expose your own weaknesses and be vulnerable with others.
- Share experiences from your own life.
- Love people and respect their opinions.
- Keeps the group focused.
- Encourage participants to take steps that lead to personal growth.

Young Man Convicted, Africa Success table participant

Amongst the number of inmates that made faith decision was a young man who wept nonstop after the prayer time. His strange behavior caught the attention of the team, who later seized the opportunity to have a chat with him privately. During that brief conversation, he confided: "I wish I knew Jesus earlier than now. I probably wouldn't have been in here." Upon hearing this, a team member encouraged him from 2 Corinthians 5:17. Like light piercing through the darkness, the frown rolled back and a radiant smile surfaced on his face. It was a clear indication, that he had definitely received back the "joy of salvation." Praise God! (Inmate at a central prison in Liberia)

Success table participant

"Before Beyond Success, I was an indecisive person and I postponed important things. As the course progressed, we evaluated ourselves and I began to tell myself, "You have to do it, you have to be more decisive. It was really a big step to be able to make decisions. This led me to make the best in my life which was to be able to open the door of my life to God. Like a little seed planted in my heart that grew when I heard that God could love me, I am happy and I am reaffirmed. I feel calm knowing that I made one of the best decisions and am following the right path. I am not alone in life because God is now with me."

Africa's Regional Director

"The Beyond Success program is not an ordinary leadership development tool. It has a huge dividend; something I would refer to as deeper Kingdom purpose. In lesson 5 of the Beyond Success booklet, John shared a unique story about his personal relationship with God (our greatest friend). Oh yes! God is our greatest friend. John explained four pictures on how we as a people see God. Ironically, three of the pictures are wrong while one of them is correct. I encourage you to see lesson 5 of Beyond Success.

It is a special gift of faith to take. "So faith comes from hearing, and hearing by the word of God" Romans 10:17. The good news is, by hearing and seeing this lesson, salvation takes place thereby establishing a special and personal relationship with God. Go for it!"
